Let Her Go, God Bless Her

Charlie and Ira Louvin

Let her go, let her go, God bless her	1144
She's mine everywhere she may be	1155
She may ramble this wide world all over	1144
But she'll never find a friend like me	1511

I went to church last Sunday
I saw my old love there
And I knew her mind was a'changin'
From the way that she done up her hair
chorus

I'm going to the races
To see my pony run
And if I win any green back
We're surely gonna have some fun
chorus

Sometimes I live in the country
Sometimes I live up town
But sometimes I take a great notion
To jump in the river and drown

Chorus

Heart Aches By The Number

Jim and Jesse McReynolds

1144

5511

1144

5511

Heartache number one was when you left me
I never knew that I could hurt this way
And heartache number two was when you came back again
You came back and never meant to stay.

CHORUS

Now I've got Heartaches by the number troubles by the score

Everyday you love me less each day I love you more.

Yes I've got Heartaches by the number a love that I can't win

But the day that I stop counting that's the day my world will end.

Heartache number three was when you called me
And said that you were coming back to stay
With hopeful heart I waited for your knock on the door
I waited but you must have lost your way.

REPEAT CHORUS

New River Train

Monroe Brothers

Riding on that new river train,	1 1 1 1
Riding on that new river train	1 1 5 5
Same old Train that brought me here,	1 1 4 4
gonna carry me home again.	1 5 1 1

Darling you can't love one, Darling you can't love one
You can't love one and have any fun
No darling you can't love one

Darling you can't love two, Darling you can't love two
You can't love two and your little heart be true
No darling you can't love two

Darling you can't love three, Darling you can't love three
You can't love three and still love me
No darling you can't love three

Darling you can't love four, Darling you can't love four
You can't love four and love me anymore
No darling you can't love four

Darling you can't love five, Darling you can't love five
You can't love five and get money from my beehive
No darling you can't love five

Darling you can't love six, Darling you can't love six
You can't love six that kind of love won't mix
No darling you can't love six

When the Lord Shall Come Again

Carter Family/Monroe Brothers

When upon the clouds of heaven	1111
Christ shall come to earth again	4411
Will the world be glad to see him	1111
When our Lord shall come again	1511

There'll be singing (There'll be singing)
There'll be shouting (Shouting, shouting)
There'll be sorrows (There'll be sorrows)
There'll be pain (Unending pain)
There'll be weeping (There'll be weeping)
There'll be praying (There'll be praying)
When our Lord shall come again

Will his coming bring rejoicing
Or will it bring tears and pain
Will you help his people crown him
When our Lord shall come again

(chorus)

Work and pray till Jesus calls you
Help to gather in the grain (the golden grain)
Then with joy we'll meet the Savior
When our Lord shall come again

(chorus)

| 1. Out in the cold world and far away from home | 1141 |
| Somebody's boy is wandering alone | 1115 |
| no one to guide him and keep his footsteps right, | 1141 |
| somebody's boy is homeless tonight. | 1151 |

Bring back to me, my wandering boy,	1141
There is no other that's left to give me joy	1115
Tell him, his mother, with faded cheeks and hair,	1141
is at the old home is waiting him there.	1511

2. Out in the hallway there stands a vacant chair,
 yonder's the shoes my darling used to wear.
 Empty the cradle, the one that's loved so well,
 how I miss him, there's no tongue can tell.

CHORUS

3. Oh, could I see him and fold him to my breast,
 gladly I'd close my eyes and be at rest
 There is no other that's left to give me joy
 bring back my boy, my wandering boy.

Blues Stay Away From Me

The Delmore Brothers
Alton and Rabon Delmore

Blues - Stay Away From Me
Blues - why don't you let me be
Don't know why - you keep on haunting me.

Love - was never meant for me
True love - was never meant for me
Seems somehow - we never can agree.

Life - is full of misery
Dreams - are like a memory
Bringing back - your love that used to be.

Tears - so many I can't see
Years - don't mean a thing to me
Time goes by - and still I can't be free.

Little Glass of Wine

Stanley Brothers, Ralph and Carter Stanley

Come little girl let's go get married	1111
My love is so great, how can you slight me	4411
I'll work for you both late and early	4411
At my wedding my little wife you'll be	1511

Oh Willie dear, let's both consider
We're both too young to be married now
When we're married, we're bound together
Let's stay single just one more year

He went to the bar where she was dancing
A jealous thought came to his mind
I'll kill that girl, my own true lover
Before I let another man beat my time

He went to the bar and called her to him
She said Willie dear, what you want with me
Come and drink wine with the one that loves you
More than anyone else you know, said he

While they were at the bar a-drinking
That same old thought came to his mind
He'd kill that girl, his own true lover
He gave her poison in a glass of wine

She laid her head over on his shoulder
Said Willie dear, please take me home
That glass of wine that I've just drinken
Has gone to my head and got me drunk

He laid his head over on the pillow
Let me read you the law let me tell you my mind
Molly dear, I'm sorry to tell you We both drank poison in a glass of wine

They folded their arms around each other. They cast their eyes to the sky
Oh God, oh God, Ain't this a pity. That the both true lovers are bound to die
