Sunny Side Of The Mountain

Now don't forget me little darling while I'm growing old and gray

Just a little thought before I'm going far away

I'll be waiting on the hillside where the wild red roses grow

On the sunny side of the mountain where the rippling waters fall

Now don't forget about those days we courted many years ago
Don't forget all the promises you gave me and so
I'll be waiting on the hillside on the day that you will call
On the sunny side of the mountain where the rippling waters fall

Tell me darling in your letter do you ever think of me
Please answer little darling tell me where you can be
It's been so long dear since I've seen you but my love still lingers on
Don't forget me little darling though our love affair seems gone

Ocean Of Diamonds   Recorded by Jimmy Martin   Written by Clifford Carnahan

[3/4 time]

Some people drink champagne out under the stars

While others drink wine lean over a bar

But all that I need dear to make me feel fine

Is to know that your love will forever be mine

I'd give an Ocean of Diamonds the world filled with flowers

Just to hold you close dear for just a few hours

To hear you whisper softly that you love me too

Would change all the dark clouds to the bluest of blue

I don't drink their champagne and I don't drink their wine

So if you refuse me my poor heart will pine

I'll be so lonely till the day that I die

As long as I live here you can still hear me cry

Sophronie

My Sophronie's from Kentucky, she's found another man

Can't even kiss her, can't even hold her hand

The moon we used to love beneath is still up in the sky

But now I'm just a hotshot with a teardrop in my eye

       Love em and leave em, kiss em and grieve em

       That used to be my motto so high

       Till my Sophronie left me so lonely

       Now there's teardrops in my eyes

Till Gabriel blows his bugle, I'll be loving that sweet girl

She means more to me than the whole wide world

I used to be a killer with the women me oh my

But now I'm just a hot shot with a teardrop in my eye
