Deering Goodtime Two Banjo

Like new Deering Banjo. The Goodtime Two is similar to the Goodtime Openback, featuring a natural blonde maple vibe with a satin finish to protect it. The heart of the Goodtime Two is the same 3-ply violin-grade maple rim, which when paired with the 3-ply resonator, produces a rich golden tone and offers a significant increase in volume from its Openback counterpart. Very nice instrument!

Includes: Deluxe On Stage gig bag and sturdy leather strap.
